## Fun88 selects Kambi Sports Solutions for Pool Betting

**Kambi Sports Solutions has signed a two year agreement to deliver its Pool Betting products, Supertoto and Superscore, to Fun88. Fun88 is a well-recognized Asian operator who has been nominated by the eGaming Review Magazine for the “Asian Live Gaming Operator of the Year” in 2009, and “Asian Operator of the Year” in 2009 and 2010.**

"Fun88 focus primarily on the Casino and the Sportsbook products. Having this focus, we are eager to launch the Pool Betting product as it is the perfect combination of our two main products. To us, Pool Betting is simplified Sport Betting with a touch of casino. We are convinced that Kambi's Pool Betting products Supertoto and Superscore will be most appreciated by our punters, allowing them to bet small and win big", comments Nathan Walker, Director at Fun88.

"Fun88 is one of the leading brands in Asia, and has a well known brand within Casino and Sportsbetting. With Fun88, we are enhancing the network's position in Asia as well as further strengthening the liquidity in the network", says Kristian Nylén, CEO, Kambi Sports Solutions.

Supertoto and Superscore are Kambi's Pool Betting products, where players at operators such as Unibet, Paf, Expekt, Nordicbet, Interwetten, AsianLogic and TonyBet participates in joint pools in order to maximise liquidity. With Fun88 joining the pool through Kambi, the network further strengthens its strong position as a global Pool Betting network.

Supertoto consists of a number of weekly coupons where the challenge is to predict the correct outcomes in the selected matches. The main weekend coupon, Supertoto14, consists of 14 matches from the top European football leagues. These bets offer consistently high potential payouts – the record payout currently stands at EUR 230,000. Supertoto14 pays out on 11 or more correctly predicted matches.

Superscore consists of 2-4 matches where the objective is to predict the correct scores in the selected matches. The record EUR 14,000 win on Superscore came from a EUR 0.10 bet at odds of 140,000 - 1.
