Earn-out payment to the former owners of the iGame Group

Unibet Group plc has today paid the first earn-out payment of EUR 7.5 million to the former owners of the iGame Group. In accordance with the terms of the purchase agreement signed on 7 August 2015, a maximum payment of EUR 7.5 million was payable by 31 March 2016 if iGame Group met its financial targets for the financial year ended 31 December 2015. Those targets have been met in full.

The remaining earn-out payment up to a maximum of EUR 12.5 million will be assessed by 30 September 2016, based on the results of the iGame Group up to 30 June 2016. During the first quarter of 2016, iGame Group has continued to perform strongly.

The cost of paying the maximum earn-out of EUR 20 million was fully provided in the financial statements of Unibet Group at 31 December 2015, so this payment has no impact on Unibet Group's reported results for 2016.
