The acquisition of 32Red will significantly accelerate our development and profitability in the world's largest locally regulated market. Gross winnings revenue from the mobile channel grew by 52 per cent and accounted for 73 per cent of total Gross winnings revenue in the second quarter".

"In the period up to 23 July 2017, average daily Gross winnings revenue in GBP was 20 per cent higher compared to the same period in 2016 (up 9 per cent excluding 32Red). On 10 July 2017, Kindred Group repaid GBP 2.8 million of the Revolving Credit Facility.

Acquisition of 32Red

On 23 February 2017, the boards of Kindred Group and 32Red reached an agreement on the terms of a recommended cash offer pursuant to which Kindred Group would acquire the entire issued and to be issued share capital of 32Red. On 6 June 2017, the UK Gambling Commission approved the acquisition and, with effect from that date, Kindred Group acquired full control of 32Red and consolidated it in its financial statements. The offer valued 32Red at GBP 175.6 million and Kindred Group has received 100 per cent of 32Red's outstanding shares. From 7 July 2017, 32Red was delisted from the AIM Market of the London Stock Exchange. Kindred has provisionally fair valued the net assets acquired from 32red Group plc at GBP 78.1 million and, accordingly, a goodwill of GBP 97.5 million has been provisionally recognised on the Kindred Group's balance sheet.

Total estimated transaction related costs are GBP 4.6 million of which GBP 0.6 million have already been recognised in the first quarter of 2017 and GBP 2.6 million has been recognised in the second quarter of 2017. The remaining cost will be recognised within finance costs from the third quarter of 2017 until the fourth quarter of 2019. Amortisation of acquired intangible assets is estimated at GBP 6 million per year over the coming three years from the second quarter of 2017. The cash consideration payable under the offer is funded by a new credit facility agreement of up to GBP 178 million, specifically for the purposes of this transaction.

This transaction is consistent with Kindred's multi-brand strategy and will further enhance Kindred's position in the fast growing online casino market in the UK valued at GBP 2.6 billion by UK Gambling Commission for the full year 2016.

The Group offered 45,861 live betting events in the second quarter of 2017 and streamed 11,841 events on desktop and mobile devices.

The majority of the Kindred Group's business is largely determined by the seasons for key sports such as the major football leagues in Europe, major golf and tennis tournaments, ice hockey leagues in the Nordic countries and North America and sports and racing in Australia. The seasonality of these events results in fluctuations in the Group's quarterly performance, especially in terms of the amounts staked. However, quarterly results can also vary widely, due to the volatility of Gross winnings margins in sports betting. Please also refer to page 5 for more information about the margin.

Casino & Games

The focus during the quarter has been to further strengthen the product position by integrating new suppliers, refining the current offering and building new features on the Kindred platform.
